<b>Meals &amp; Entertainment</b> While on business trips deduct all meals. Locally, you may only deduct meals that meet the following criteria for entertainment: to entertain clients, customers, or employees if the expense is incurred while courting new business or discussing business. The business activity should be helpful and appropriate for your business, but it <i>does not have to be indispensable</i> .	\$
<b>Utilities - not related to Home Office deduction</b>	
• Telephone/Fax services	\$
• Internet access/DSL	\$
• Electric/Gas	\$
• Garbage and recycling	\$
<b>Wages</b> paid to employees. Be sure to include employment taxes (FICA, FUTA & SUTA) under "Taxes & Licenses" above. Include nonemployee labor and subcontracted work under "subcontractors" or "outside services". Submit year end payroll reports and W-2's.	\$
<b>Other Miscellaneous Expenses</b> (list any of the following or any expenses not included in the categories above, provide any necessary explanation and documentation)	
• Bad debts from sales or services (only for businesses using the accrual method of accounting)	\$
• Employee Benefit Programs	\$
• Pensions and Profit Sharing Plans offered to employees	\$
• Research Expenses	\$
• Casualty losses or damage not reimbursed by insurance	\$
<b>Additional items for Farms</b>	
List all livestock sold. Include a brief description, whether it was bought for resale and raised by you or held for draft, breeding, dairy or sport and any expenses involved in raising the livestock sold which were not deducted during the raising years (your basis in the livestock).	
List any payments received from crop insurance or disaster relief, the date the payments were received and a brief explanation of the circumstances.	\$
How many employees did you have and how much was paid in total wages during the year?	\$

**Thank you and please feel free to contact us with any questions you may have!**
